CAPABILITY STATEMENT

Your Reliable AV and ICT Partner! *- is a Service-Disabled Veteran-Owned Small Business (SDVOSB) and ISO 9001:2015 certified provider of comprehensive technology and healthcare solutions to U.S. federal agencies, including the Department of Veterans Affairs and the Department of Defense. With a mission-driven approach and a commitment to quality, VA-Trak delivers end-to-end turnkey solutions across IT hardware and software resale, audiovisual (AV) and video teleconferencing (VTC) solutions and services, helpdesk and technician support, medical and office supply resale, healthcare staffing, and revenue cycle management (RCM).*

As a single, reliable source for multi-industry federal support, VA-Trak combines deep agency knowledge, strong industry partnerships, and a quality-first philosophy to help federal customers achieve their mission objectives with confidence, efficiency, and operational agility. We understand the complexity of federal procurement and the importance of delivering the right solution, on time, every time.
